Petitioner, MARTIN E. WALTERS, moves this Court for an order appointing counsel at public expense. 28 U.S.C. §§ 1915(e)(1), 2254(h); 18 USC § 3606A.

Counsel should be appointed because the issues in this case are particularly complex, and petitioner is a layman at law, who does not have meaningful access to the law materials; nor is unable to proceed alone because he does not understand procedure.
